FRUIT SALAD DAY

On Monday,
21st November 2016

Fruits benefit kids in many ways, including improved nutrition and better school performance.

To create awareness among our little ones about the importance of eating fruits in daily life, we are observing 'Fruit Salad Day' for KG- 1 and KG-2 on Monday, 21st November 2016.

Fruit Salad Day is one such activity through which children get to know about various fruits and their nutritional values. They also enjoy preparing **fruit salad** in the classroom with the help of teachers.
