*Lending a helping hand!*

Dear parents,

The Parent Council IPHS, RAK is organizing a Charity Campaign in the school for the needy.

The campaign will start on Sunday 16<sup>th</sup> October 2016 and will be till Thursday 20<sup>th</sup> October 2016. If you are willing, you may donate your gently used wearable clothes and unbroken toys during the school hours between 9:00am to 11:00am.

Carions will be kept in the school premises. The clothes and toys neatly wrapped may be sent with the children or the parents may bring and drop them in the cartons.

Parent Council Chairperson

To ensure that the new user feels as happy to use them as you did, please give clothes that are:

- **CLEAN** - Please make sure the clothes are not dirty, torn or stained.
- **PACKING** - Separate bags for men's/women's/children's clothing and separate bags for toys. This will help us to sort out the clothes and toys efficiently.

Wrap them properly and ensure that they remain clean.

.....because HOW you give, speaks as loudly as WHAT you give....
