RESTRICTED TO PRIMARY SECTION

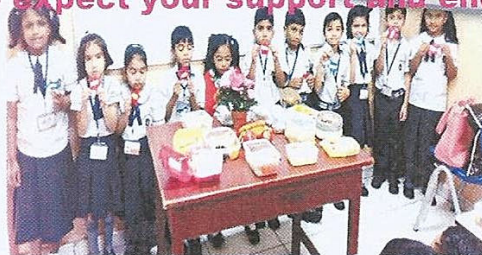

(Letter of appreciation)

God couldn't find a place to drop manna everywhere; that's why he gave it to 'MOM' to put in the tiffin box!

Congratulations to all wonderful 'MOMS'. Kindly accept our gratitude for your support on making the "Star Mom" activity which was conducted on World Health day (April 7, Thursday), a grand success far more than our expectations. We could find a bunch of love and care in each tiffin box.

We expect your support and encouragement in the future activities too.

Let us join hands to give our Kids a Healthy Childhood and Nutritious Schooling...!
