Sub: 21st National Mathematics Olympiad Contest - 2017-18

Dear Parent,

You will be pleased to learn that our school has been invited to participate in the **21st National Mathematics Olympiad Contest 2017-18** developed and administered by **AISMTA** (All India Schools Mathematics Teachers Association).

The AISMTA is a well-known Institution with deep commitment to quality and excellence in the field of education. It is also known for its devotion in creating interest of students towards Mathematics. Besides making the subject interesting and enjoyable, it spots out the talent amongst the young and feed them to improve their knowledge so as to find a place for them in the competitive world.

The paper will be designed as per the Board's syllabus. Each class has separate question paper as per the syllabus. The AISMTA is of the opinion that the students appearing at these examinations will certainly get benefit at their final examinations of the board.
