

Dear Parent,

Considering excellence in academic and professional preparation of students to be of prime importance and strongly believing in the notion that education is essential for the enlightenment of an individual, we strive to provide our students meaningful experiences that will enhance their college and career readiness by providing them with the tools and pathways for their future.

Aspiring to provide students with a kaleidoscopic perspective of the various career paths, the school is organizing a career fair for both parents and students of classes X, XI & XII *on Sunday, 26th November 2017, from 9:00 am to 1:30 pm.* The Fair presents before the students an opportunity to learn more about higher education and careers they might be interested in. Since parents play a major role in choice of their ward's career, it is imperative that they are also aware of the ever-growing opportunities.

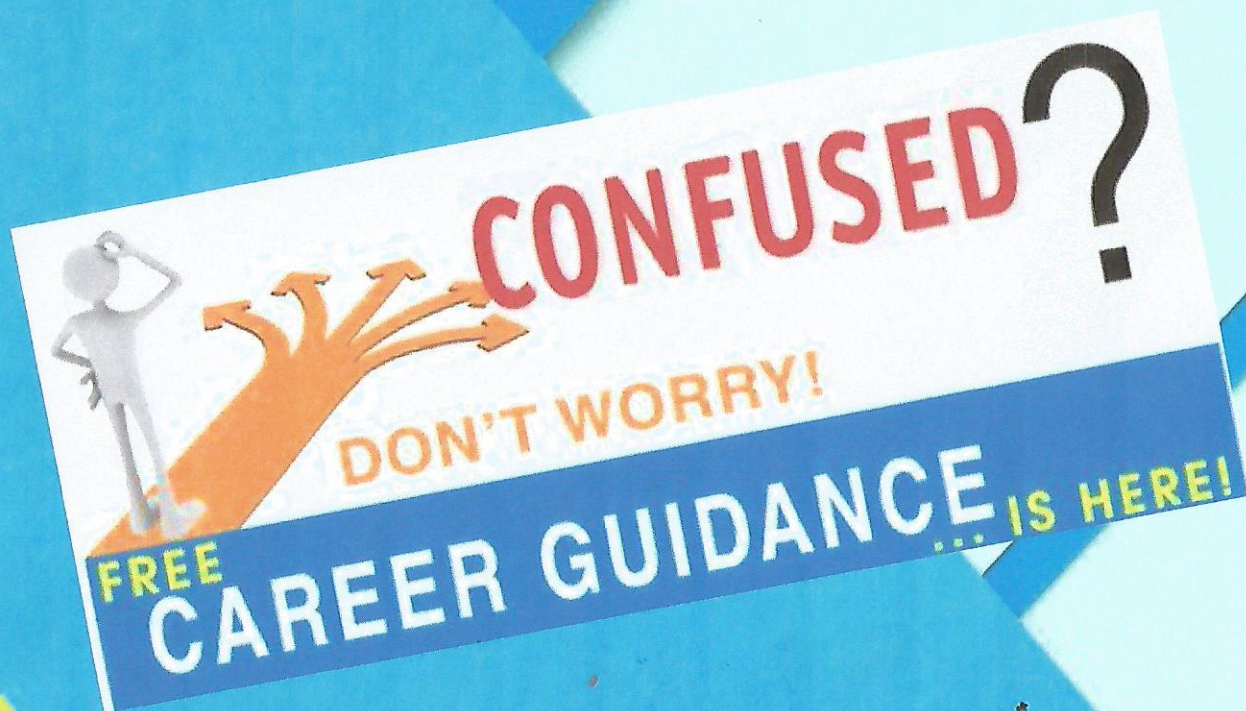

You are requested to make it convenient to attend the career fair as per your ward's interest and make use of this opportunity.

Thanks & Regards
