

CIRCULAR NO: IPHS/17-18/144

22<sup>nd</sup> February 2018

Dear Parent,

**Sub: Letter to Parents before Examination**

At the very onset we would like to acknowledge the tremendous trust placed by you in IPHS ,entrusting us with the education and overall development of our students.

Student achievement and attainment is one of the topmost priorities we parents and the school should work towards, equipping our children to face a diverse world of tomorrow.

We have almost come to the last lap of this academic year - 'The Annual Examinations'. So , let us join hands towards maximising their potential and building capacity , supporting them in their preparation for the forthcoming exams and minimising the stress and fear levels our students face at this time in collaboration.

At school teachers are supporting students through revision , study support - remedial classes and pastoral care.

We solicit your support through the following during examinations:

**Pastoral Care :**

1. Look after the social and emotional well -being of your ward.
2. Inculcate good sleeping habits during the examination and study preparation.
3. Do not build unnecessary pressure and examination fear in your ward , be a friend and coach support them to prepare for the exams without laying stress on marks and percentage.
4. Take care of their nutrition and sleeping habits.
5. Create a happy atmosphere at home , a non -conflict zone.
6. Keep a watch and minimize your ward's use of social media , social interaction and use of digital tools . Use a judicious approach without creating any resilience.
7. Minimize social activities during this time.

**Academic Support:**

- 1.You and your ward should be well versed with the date sheet , syllabus and timings of the examinations.
2. See that your ward revises for the examination and prepare a regular study time schedule to prepare.
3. One day prior to the exam see that your ward is ready with all the required materials needed on the day of the exam.
4. Ensure your ward reports to school on time during the examinations.
5. Keep a watch on your wards behaviour before and after the exams, watch out for any signs of unusual behaviour , seek help or report it to the school.

These are just a few tips we can use all our collective effort to enhance our students performance in the forthcoming examinations.

Wishing our students all the very best in their forthcoming examinations, 'Rise like the falcon, soar great heights -Sky is the limit!'

Educationally Yours,

  
Principal.
