Dear Parents,

Sub: FRUIT SALAD DAY

Fruits benefit kids in many ways, including improved nutrition and better school performance.

To create awareness among our little ones about the importance of eating fruits in daily life, we are observing '**Fruit Salad Day**' for the students of **KG-1 & KG-2** on **Monday, 20th November 2017**.

Fruit Salad Day is one such activity through which children get to know about various fruits and their nutritional values. They also enjoy preparing **fruit salad** in the classroom with the help of teachers.

Kindly send the **FRUIT mentioned in your child's Calendar** by the teacher.

Thanks.
